2019 COLLECTION

TOOCHAIRS
2019-2020 COLLECTIONS

ABOUT US

The foundation of our company was laid in 1999 in area of 500 m² in Ümraniye, İstanbul. Our company, which started production with wooden chair, has allocated 3000 m² area in Bartın and expanded its production network. Our company, which has developed its customer portfolio in a short time, made a transition from 3000 m² area to 10.000 m² n 2014 in order to provide better service. With the 5000 m² export factory established in Tuzla in 2018, the export and local services of our company are separated from each other.

Our company, which serves to large enterprises such as hotel, restaurant and cafe, is produced with its own wood, metal, flooring and polishing sections. Our company, which continues to the present day with its increasing product quality and customer portfolio, aims to provide products and services in quality standards by keeping customer, employee and supplier satisfaction at the highest level.
